1955

1950 - 1960

2005

2007

IN 1947, KENETH WOOD BEGAN MANUFACTURING HOME APPLIANCES IN WOKING, UK. HIS FIRST APPLIANCES WERE TOASTERS FOLLOWED BY MIXERS AND THEN THE RENOWNED CHEF KITCHEN MACHINE. HE SIGNED HIS CREATIONS WITH THE NAME KEN WOOD. SUCH WAS THE STYLE, INNOVATION AND QUALITY OF THESE ORIGINAL PRODUCTS, THAT THE BRAND KENWOOD SOON BECAME SYNONYMOUS WITH EXCELLENCE IN KITCHEN APPLIANCES AROUND THE GLOBE.

SIXTY YEARS LATER, THE KENWOOD RANGE OF KITCHEN APPLIANCES STILL SETS THE STANDARD IN QUALITY, DESIGN AND INNOVATION. NEW TECHNOLOGIES AND ADVANCED MATERIALS ALLOW FOR CONSTANT REFINEMENT OF THE KENWOOD RANGE, BUT EACH AND EVERY APPLIANCE IS DESIGNED TO LOOK AND PERFORM BEAUTIFULLY IN THE KITCHEN – JUST AS KENETH WOOD WOULD DEMAND.

QUALITY DESIGN 60 1947 – 2007 INNOVATION

KENWOOD
The home professional

www.kenwood-australia.com

CLASSIC OR CONTEMPORARY

KENWOOD GIVES YOU THE CHOICE OF DESIGNER STYLING TO ENHANCE ANY KITCHEN FINISH. THE TRADITION RANGE CAPTURES A NOSTALGIC ERA WITH DIECAST BODIES AND BOLD COLOURS – YET UNDERNEATH THE RETRO GLAMOUR IS THE VERY LATEST KENWOOD PERFORMANCE TECHNOLOGY.

ON THE OTHER HAND, THE EON RANGE HAS A MINIMALIST, BRUSHED METAL APPEARANCE WHICH IS PERFECT FOR THE MODERNIST INDUSTRIAL KITCHEN DESIGN. BOTH RANGES ARE PRACTICAL, ‘WORKS OF ART’ THAT ADD PERSONALITY AS WELL AS PERFORMANCE TO FOOD PREPARATION.

KITCHEN MACHINES

Kenwood offers a range of kitchen machines to bring out the baker in almost anyone. Metal gearboxes make them robust and powerful. And Kenwood’s unique planetary mixing action guarantees a thorough mix every time. Plus there’s a host of clever features neatly incorporated into a range of smart looking designs. Whatever your taste, you’ll find a Kenwood to match it.

KENWOOD KM007
CHEF MAJOR KITCHEN MACHINE

SPECIFICATIONS

- Limited edition individually numbered
- Hand finished brushed metal finish
- Includes A996 brushed steel liquidiser attachment
- Powerful 1200 watt motor with all metal gears and body
- 6.7L stainless steel bowl with handles

KETTLES

Who has time to waste waiting for the kettle to boil? Kenwood 2200 watt cordless kettles boil water rapidly for your tea or coffee. Models shown come with three-level safety operation consisting of auto shut off, boil dry protection and a thermal fuse. This is just one of the innovations that make Kenwood kettles fast, safe and easy to fill and pour. And with function taken care of, there is a style to suit your kitchen from sleek brushed aluminium to the classic stainless steel kettle.
